

Metamora State Bank is All About Business

At Metamora State Bank, we provide you with all the banking services to help your business meet its financial goals. By providing checking accounts, savings accounts, loans, credit cards, and business services, we have everything you need for your growing business to thrive. Whether you are just getting started or your business is a staple in the community, we are here to help you meet your goals financially.

We offer various checking and savings account options, including accounts specifically targeting non-profits. Our business accounts are interest-bearing, and you will find that some accounts provide ways for you to waive the maintenance fee. MSB's business services include online and mobile banking, remote deposit capture, safety deposit boxes, and Quicken information. These solutions will allow you to focus on your business and save you time and money.

Metamora State Bank promotes local commerce by providing credit to businesses, including our agricultural community. We offer loans for real estate purchases, facility construction, business equipment purchases, short-term working capital lines of credit, and agriculture loans. At MSB, we provide all the financing solutions you need to run and grow your business.

We understand small businesses because we ARE one! We provide all the financing solutions you need to run and grow your business. Call 419-885-1996 today for more information on all our business services and solutions. With Metamora State Bank, you can grow your business into everything you dreamed of.
