

Metamora State Bank & College Ave Student Loans: A Winning Combo

Need a loan to help pay for college? Looking to refinance existing loans after graduation? Metamora State Bank has partnered with College Ave Student Loans to help you achieve your higher education goals. We believe that College Ave can offer you a better student loan experience. Founded in 2014, College Ave Student Loans is a Delaware-based online lender that caters exclusively to student loan borrowers. The company offers private student loans for undergraduates, graduate students, and parents. If you've maxed out your federal student loans or don't qualify, private student loans from College Ave may be the perfect funding option.

A private student loan designed for you? Now that's a novel concept. Take the stress out of paying for college by creating a private student loan that fits your budget and your goals. With a simple application, helpful tools, and great customer service, College Ave is there to help you breathe easy. College Ave presents a simple application process and one of the widest selections of loan types, terms, and repayment options we've come across. They offer competitive interest rates and provide services to international students — not something all student loan lenders do.

College Ave believes a big goal should not be a huge burden, and we agree. Whether you need a loan to pay for school or refinance existing loans after graduation, College Ave has options. They learned from other complicated lending companies and decided to better the private student loan experience. One-size-fits-all student loans are a thing of the past. With College Ave Student Loans, you can build a repayment plan that fits your life. Plus, they'll make it fast and easy and provide the tools and resources to help you succeed and pay for school without the worry.

MSB is proud to promote our partnership with College Ave and we hope to hear from you regarding your needs for education financing. Ready to get started? Stop into your nearest branch or give us a call today to further discuss what works best for you!
